Subject: Amendment application

Dear Mr. Allen:

Based on the amendment request submitted on June 04, 2021, I am enclosing an updated NELAP accreditation certificate and Fields of Accreditation listing. They replace the previous ones issued on February 01, 2021.

Please review the enclosures for accuracy and completeness. Your laboratory's accreditation is valid until the expiration date on the certificate and scope, contingent on continued compliance with the standards for accreditation and requirements of the state of Texas.

In the meantime, please contact Mr. Frank Jamison at frank.jamison@tceq.texas.gov if we can provide any additional information or assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Steven Gibson".
